

EduCare Programme

Course Features and Points to Note

Course Features

Students will be guided by Playtao's mentors to complete their daily homework within an EduCare class session. In addition, to build students' English and Chinese vocabularies, they will be asked to memorize and dictate a list of vocabularies prepared by their mentors at the beginning of each class. Playtao mentors will prepare students for revision after the completion of homework within the class session. Revision and/or mock examinations will be arranged before school tests and examinations.

Points to Note

1. Students should follow our class regulations and our officers' and mentors' instructions. If the student fails to follow our class regulations, our officers' and mentors' instructions, behaves poorly and/or affects other students' study and safety, Playtao officers may reserve the right to withdraw the student's eligibility to participate in the programme without giving prior notice.
2. To fully utilise Playtao's resources, students are strongly encouraged to attend all classes and activities.
3. Class fees paid are non-refundable.
4. All classes and activities will be cancelled when Typhoon Signal No. 8 or above, Red/Black Rainstorm Warning Signal, or class suspension as announced by Education Bureau is in force within 2 hours before the start of class or activity. No refund or make-up classes will be arranged for cancellation of classes or activities due to the above situations, class suspension as arranged by schools, or any other special reasons.
5. Participation in the EduCare programme indicates that the participating students, parents and their family members have understood and agreed that they may be photographed, videotaped and/or interviewed by Playtao Education Foundation Limited and its partners in any events of the programme. Playtao Education Foundation Limited and its partners are entitled to use such photo(s), image(s), video(s), interview content, and any works by the participating students and their family members, for purposes including but not limited to publication, exhibition, broadcast, publicity, education, public relations, promotion and online publishing, without making Playtao Education Foundation Limited and its partners liable for compensation of any kind.
